

Witch's Broomsticks

These broomsticks make a great savory Halloween appetizer or snack that only take a few minutes to make!

*Makes 6 Servings
1 serving = 4 broomsticks*

Ingredients

- 24 pretzel sticks
- 12 cheese slices, any kind
- 12 chives or 3-4 scallions

Directions

1. Cut each cheese slice in half to make two rectangles.
2. Use a small knife to make cuts into the cheese that are about 1 inch long and about 1/8 inch apart. This makes the bristles of the broomstick.
3. Wrap the cheese around one end of the pretzel stick, with the sliced end facing away from the rest of the pretzel.
4. Cut the chives in half. You can also cut the green parts of scallions to resemble a string.
5. Tie the cheese into place with the chive or scallion strings.
